

Press Release

Sarla Technologies, India achieves CSIA Certification

Sarla is now **CSIA** (Control Systems Integrator Association) certified Company.

Mumbai, India. Sarla Technologies is pleased to announce that the company has achieved **CSIA** certification and is now a certified member of Control Systems Integrator Association, USA.

Sarla Technologies successfully passed CSIA Certification audit conducted by ASR, USA with very flying colors by scoring 267 points against passing requirement of 202 points and Industry Benchmark of 238 points.

Mr. Gordon Cox, Senior Lead Auditor from American Systems Registrar, USA appreciated Sarla by saying “Certification to ISO 9001:2008 has played great addition to the audit process. The number of controls established for the ISO 9001:2008 process was an aid in the CSIA certification process. **System developed by Sarla Technologies is very advanced and fully functional**”.

The CSIA (Control System Integrator Association) from USA is the organization committed to the all round development of control system integration companies and their implementation of the Best Practices in order to provide a healthy, low-risk channel for the application of technology to their industrial clients.

Sarla Technologies has been contributing to the world of Control system over a decade now and is a **Preferred Partner** for several leading Automation Companies, Process Consultants and System Integrators in USA, Europe, South Africa, Asia pacific and Middle East region.
